PROJECT STATUS UPDATES

To view the latest construction information, visit our [Project Update](#) page on the [Rothwell website](#).

Updates & Notifications.

Throughout the construction process updates are accessible on your community website under [Project Update](#) and sent to your nominated email address.

Every 6-8 weeks you will receive a general update regarding the progress of Rothwell, the construction progress of your stage as well as updates on what is going on in and around your community.

In preparation for settlement you will also receive:

- A notification email at 8 weeks from title issue that will prompt you to prepare for settlement.
- A notification email when Dacland has received Statement of Compliance and lodged your land at the titles office.
- A notification when your title has been issued. Once this has been sent, you will have 2 weeks until settlement is due.

Where required, we may send additional updates in between these scheduled emails to advise you of any changes or significant issues that you may need to be aware of. Please add customercare@dacland.com.au to your contacts list to ensure the email is delivered to your inbox.

From Start to Finish, Construction & Approvals.

During construction, there are many stages that need to be completed, not all of them visible on site. Behind the scenes, we work with a range of consultants and contractors to co-ordinate planning, approvals and audits to see your stage progress to issue of titles.

Listed in order below are the stages that you may see mentioned in your updates and the email notifications that will be sent to you in preparation for settlement.

<p>CONSTRUCTION APPROVAL Council and other authorities give approval to detailed plans to enable works to commence on site</p>	(Notification email sent)
<p>SITE ESTABLISHMENT Earth moving machinery do a site scrape, levelling the land and preparing the site for surveying and trenches to be dug for services.</p>	
<p>SEWER RETICULATION & TESTING</p>	
<p>DRAINAGE, GAS & DUAL WATER RETICULATION (IF APPLICABLE)</p>	
<p>ROAD EXCAVATION, SUBSURFACE IMPROVEMENTS AND DRAINAGE</p>	
<p>ROAD PAVEMENT LAYERS, KERB AND CHANNEL WORKS</p>	
<p>ELECTRICAL AND OPTIC FIBRE Trenching and reticulation</p>
